*Cognitive, linguistic, enhanced English language training on your terms*

## GENERAL ENGLISH

**“I owe my entire career success to OEGC. They helped me master the English language and improve my life in all aspects.”**

*Bashir Ahmed*

### **The Latest in Cognitive, Linguistic and Learning Theories**

OEGC offers a variety of educational programs and career services that are geared to preparing individuals and companies for the future. Our ESL Program combines the latest in cognitive, linguistic and learning theories to create an ESL curriculum that is integrative and engaging.

### **Your Learning - on your terms**

OEGC's ESL courses are delivered to accommodate the diverse needs of professionals like you. Our programs are flexible, interactive, and preferred by students who find they work best outside of the conventional school framework.

### **Integration with a difference**

Our General English Program follows a successful methodology of second Language acquisition intended on developing and enhancing English language skills. It is multipurpose and multi-extensive in design.

Unlike other programs that seek to teach you English, our program will integrate English skills into your linguistic database creating an additional native language. In this manner you will no longer have to struggle in translating from your mother tongue into English, rather you will be able to think, and communicate in English from start to finish.

### **Practical knowledge for your future**

Our ESL programs blend professional experience with practical knowledge and skills to set you apart from your peers. The specialized background and the skills you will acquire are essential to compete in today's complex global environment.

Our Faculty is composed of highly qualified professionals with skills that compliment the needs of our students. OEGC Faculty and staff are ready to assist students with program details, accommodation, transportation and any other questions they may have. Our instructors have international experience that they bring to the classroom and are committed to the success of each student.

*Dedication*  
**Determination**  
*Devotion*

*Assess your skills, build your strengths*

**CAREER DEVELOPMENT**

**“ESL learning has been a great confidence builder. Thank you OEGC.”**

*Marie Augustus*

**We identify your needs by listening to you first**

It is a key ingredient in the OEGC philosophy of success to pay close attention and listen to our students, clients and faculty; it's something we do best and that's what makes us a cut above the rest. Thereafter your counselor will run through our extensive database to see which university or college correlates with your ambitions. By the end of the process you can look back with confidence on making a right career decision to connect with OEGC.

**Career Counselling and Development that Builds on Your Strengths**

Our Academic and Career counsellors specialize in skill assessment tests that identify your key strengths and skills to help narrow the spectrum of choices to a selected few. We take into consideration your academic background and future ambitions and take the time to meet with you to get to know you, where you see yourself and where we can take you.

**The quality education you desire. The career head start you deserve.**

We primarily build your career in three effective, proven ways

- **ESL Programs**
- **Exams Preparation – TOEFL, IELTS, CAEL, TOEIC etc7**
- **University Applications**

*Carlos Divera*

**Living the 6 Ps - Proper Planning Preparation Prevents Poor Performance**

At OEGC we take Exam Preparation seriously. Our 6 Ps Principle is how we ensure that our students are prepared for their future.

OEGC's Exam Preparation Courses prepare students to confidently apply to the post-secondary institutions of your choice – and helps professionals adequately advance their career options. The world has developed into an open community where business and education connect individuals from different countries and backgrounds all converging on an English language platform.

Exams such as TOEFL, TOEIC and IELTS are mandatory pre-requisites for entry into North American and International institutes of higher learning. We make it our mission to prepare our students to take the exam and excel.

**Exams include**

**Learn from and interact with experts.**

OEGC Exam instructors are experts in test taking techniques and will walk you through the course with ease and simplicity. We make sure that our students are educated in all sections of the exams and instructed on test taking strategies to ensure high test scores. Our instructors take their time to ensure that students will meet and exceed the score requirements opening up doors of possibility for their future.

At OEGC our objective is to make sure that you are well positioned for success. You can trust that when you come to OEGC to prepare for your international exam, you are coming to the right place. As we never tire of saying, your success is our success.
